

Prayer for Airport Chaplains

Lord, we ask you,
that your Spirit may dwell in us -
the Spirit of love, wisdom and true humanity,
the Spirit of Christ.

Let us know,
where we are needed at the airport.
Lead us to people, who are waiting -
for care, for help or for a kind word.

Let your Spirit dwell in us,
to open us
for the needs and the pain,
but also for the joy and hope of other people.

Praise be to you and honour and glory
now and forever.

Amen.
